

### Activity 1 - Solos

- Set all instruments to the same scale
- Some instruments work very well for solos such as the guitar and keyboard

### Activity 2 - iBand

- The rhythm section should focus on playing the chord pattern accurately as a team
- Spend time conducting the rhythm section to achieve success. (If the rhythm section gets lost, stop and start again)

### Activity 3 - Taking the Lead

- Consider which scale works best with your chord progression
- Practise taking solos and discuss what makes a good solo i.e variation, speed, melody etc.
- Select your top soloists to take the lead while the remainder of the class act as the rhythm section

### Activity 4 - Additional activities

- Create your own song structure. What happens at the start, middle and end
